Dear parents/carers,

RE: Secondary School Transfer Information 2021

Please see enclosed a copy of *Your Guide to Secondary Schools in Enfield* brochure, which will provide you with all the information you need to apply for a secondary school place for your child to start in September 2021. More information can also be found on our website or Enfield council's website including a step-by-step guide to applying online and a parent presentation about the different types of schools in Enfield.

Open Evenings

Due to COVID-19, secondary schools will be holding virtual open evenings where you will be able to meet members of staff online and may be able view parts of the school. The dates for virtual open evenings have not been finalised by schools yet and so it is important that you check the websites of the schools you are interested in applying for to find out more information.

Applying Online

From 1st September you can make your secondary transfer application online at www.eadmissions.org.uk and you will need an email address to make an online application. You will receive the outcome of your application on 1st March 2021.

If you need any support regarding online applications please see our website for further information or telephone our office and we will try our best to help. Due to COVID-19 we cannot offer online support sessions at Chesterfield as we previously have done in the past.

You must apply for your child's secondary school place online by 31st October 2020.

It is important you take the time to consider many secondary schools in Enfield so please read the enclosed booklet carefully and ensure you visit the secondary schools' websites for up to date information.

If you have any questions you can visit our school website, the Enfield council's website or the secondary schools' websites in the first instance. If you would like to speak to your child's class teacher or myself please ring the main office to book a telephone appointment.

Yours sincerely,

Sarah Fincham
