Dear parents,

I am delighted to share with you that Chesterfield School will now be using **Seesaw** (<http://seesaw.me>), a **secure online journal** where children can document and reflect on what they are learning in class. Your child will be able to add photos, videos, worksheets, drawings and voice recordings to their Seesaw journal.

In order for your child to use Seesaw, the app needs your child's name in order to be able to associate work like their photos, videos or voice recordings with their account. Seesaw only uses this information to provide the service and doesn't advertise in Seesaw, create profiles of students, or share or sell your child's personal information or journal content. You can read more about their strong privacy promises here: <https://web.seesaw.me/privacy>.

You will soon be receiving a text message with an online survey form where you can give consent to your child using Seesaw. Alternatively, there is a permission slip attached to this letter.

In the event of any form of isolation and loss of learning caused by Coronavirus, we will now be using **Seesaw to support learning**. Over the next week, children will be provided with a **personalised QR and text code** to access their individual Seesaw accounts where they can upload work and complete activities set by their teacher. We think Seesaw will be very helpful to families who are engaged in remote learning.

Pupils can access their accounts via the [SeeSaw](#) app (free to download from the App Store or Google Play) or the desktop version at web.seesaw.me. To access their account, children will need to **scan the QR code** in the Seesaw app or input the personalised text code. Please ensure that your child does not share their personalised QR or text code with anyone else.

Please contact your child's class teacher if you have any questions about Seesaw.

We hope that all children will enjoy using Seesaw to document and share their learning this year.

Thank you for your continued support,

Cristina Jordan
