Headteacher: Zoe Hussain

Dear Reception parent/carer,

Following a wonderful start to the school year the children have all settled in well to their class and are now ready to really make great progress and catch up on the learning they have missed out on over the last two years. Our priorities are obviously in reading, writing and maths and there are several ways in which we would like you to support the children.

Reading - it is essential that the children read every day at home, please listen to your children read for 10 minutes every day and record this in their reading record. We will check the books daily and those that read regularly will be rewarded.

Word lists – These are words that the children need to learn to read by sight. Your child will have a bookmark with them on and this will be replaced with a new one once they learn them all. Please practise at home.

Maths – Watch *Numberblocks* at home with your child for them to learn the numbers to 10.

We would like to invite you to come to a talk on Monday 17th Jan after you have dropped your child off in Chesters Hall where we will explain how you can help further.

Thank you for your support. If you have any questions please contact your class teacher.

Emma Fowler

Deputy Head Teacher
