15<sup>th</sup> July 2022

Dear Parents,

The Met Office has issued a red extreme heat warning for Sunday 17<sup>th</sup> July, Monday 18<sup>th</sup> July and Tuesday 19<sup>th</sup> July. Temperatures could be in excess of 35°C in the southeast with Monday and Tuesday most likely to see temperatures around this level.

The red warning highlights likely adverse health effects for the public, not just limited to those most vulnerable to extreme heat.

As it stands, Chesterfield Primary School will remain open as normal, however:

- Pupils will not be taking part in any vigorous physical activity or trips.
- Pupils will only be outside for a reduced morning break.
- Pupils will be provided with plenty of water and will be encouraged to drink more than usual.
- Pupils are encouraged to wear loose, light coloured clothing and sun hats.
- Pupils must apply sun cream before attending school.

With best wishes,

Zoe Hussain

Executive Headteacher
